

# IFC Judicial Committee Applications

## Statement of Purpose:

The IFC Judicial Committee (J-Comm) provides a forum to adjudicate and resolve disputes and conflicts concerning IFC member fraternities. The Judicial Committee is not a court of law, nor will it concern itself with legal matters. It is the responsibility of the Committee to deal with disputes and arrive at equitable solutions that will best serve the interests of the entire University Community. The Judicial Committee will hear cases involving fraternity conduct, which violate the University Sponsorship Agreement and/or the Greek Social Code, including party rules and regulations. Further, it shall be the responsibility of the Judicial Committee to evaluate each individual chapter in relation to the Interfraternity Council Basic Standards and adjudicate accordingly. As well, all decisions that involve the revocation of IFC chapter recognition as a result of the Interfraternity Council Basic Standards will be subject to the final decision of the Judicial Committee. By way of Judicial Committee action, the University recognizes the importance of self-governance in the Greek area, and has demonstrated support for the Judicial Committee efforts.

J-Comm meetings are held at least twice a month for one hour during evenings.
