

**IFC Delegates
Meeting Agenda**

3/16/09
7 PM

- I. Guests
- II. Roll call
- III. President – Kabir Seth
 - a) IFC's involvement with ASUC elections.
 - As a council, we will be supporting all Greek candidates regardless of their political affiliation during the ASUC elections. It is beneficial to us to have as many Greek senators as possible, as it enables us to have better access to individuals who can provide us with the access to valuable campus funds.
 - b) Security recap over weekend.
 - c) Security checklist and GAMMA patrols.
- IV. VP of Internal Affairs – Alex Van Zant
 - a) Food general interest vote – quality or quantity for remainder of semester?
 - A general vote was held and we will be taking one week off from serving food in order to keep ordering quality food in order to make up a budget deficit caused by purchasing food last week for a delegate's meeting that was cancelled at the last minute.
- V. VP of Risk – Omead Barari
- VI. VP of External Affairs – Jeremiah Douglas
 - a) Website directory forms.
 - Please fill out these forms and get them to Jeremiah.
 - In addition, let Jeremiah know if you are having any registered events (especially philanthropy) so he can help market it through the newsletter and website.
 - Also, please send Jeremiah the contact info for anybody your chapter may have running for ASUC Senate so that he can get them into a Greek voter guide and give them a little publicity.
 - b) Summer housing.
 - There are a lot of Irish people trying to get access to Greek housing. A strong suggestion by IFC: do not let them in (or be very careful if you do), as they tend to party a lot and have a history of getting chapters into trouble.
- VII. VP of Recruitment – Andrew Patton
 - Vote on rush dates will be from August 28th – September 4th will be held next week since we do not have a lot of delegates present right now.
- VIII. VP of Programming – Shaun Lacey
- IX. Assistant Risk Manager – Anthony James Wright

- Reminders: walk girls home, turn on exterior lights to chapter houses in order to light up the streets and keep them safer.
- It is a good idea to put up a sign to remind girls to make sure that they get people to walk them home.
- X. Academic Achievements Officer – Jon Ida
- XI. Service Officer – Marty Cunnie
 - a) Paintball.
 - Sheet passed around to assess availability of delegates.
- XII. Special Events Officer – Dustin McKenzie
